AES MEETING NOTICE

The Ellison Museum of Magnetic Audio Recording and Playback Equipment

Tues 22nd March

Meeting starts at 7.30pm sharp

67 Cremorne Street, MALVERN

(See attached Map overleaf)

Enter from Cambridge Street only, there is no direct entry from either Unley Road or Duthy Street.

The museum room is small and would allow a group of no more than 6 at a time.

There is a carport at the side of the house for everyone to meet and the Committee will ensure that everyone has a chance to view the collection at their leisure

Background info

The Ellison Museum is a unique collection of antiques from the 1920's to the 60's.

The display includes a **working** wire recorder/player, magnetic disc recorders, reel to reel tape recorders, various cassette recorders and a large collection of valve and early transistor radios. Significantly, the display features the "Ferry Collection" of ten recorders and allied equipment, made in South Australia by the late Jack Ferry.

The AES Committee is having a counter tea at the **Cremorne Hotel Unley Road at 6.00 PM**, and members and guests are welcome to join us. Please book in for the meeting by Monday 12th to: Ian Tucker [secretary]: vsound@chariot.net.au or 83321111

To save time and postage, please forward your E-mail address to: vsound@chariot.net.au

Last Meeting:

A large number attended a talk by Neville Thiele – one of the legends of loudspeaker design. The meeting held at the Wakefield Tavern was a most interesting and our thanks to Neville for taking the time to come to Adelaide once again.
